- I. Discussion and Actions
 - a. Membership: The new member drive has been successful so far. Prospective new members Catherine Santa Maria and Don Leighton were present and were introduced. We will have an E-Vote to accept them as new members. If accepted as members, they would come into the club under the new member special, with equity membership payment due in 3 months.
 - b. Consider Mike Gustafson as Club CFI: Mike Gustafson has offered his services as an official club CFI (no membership privileges). His participation in the club would be similar to that of Larry Jobe. We will have an E-Vote to accept Mike as an official, non-member club CFI.
- II. Adjourn: 11:00am
- III. E-Vote Results taken on December 14 and 15: Only Dave Morgan was not available to participate in the E-Vote. By majority vote of all other club members, Catherine Santa Maria and Don Leighton were accepted as new members to the PML Aero Club. Also by majority vote, Mike Gustafson was accepted as an official, non-member club CFI.
