**PML Aero Club**  
**October 2, 2010**  
**9:30am to 11:00am**  
**Jobe Hangar**

**Attendees:** Leon Liebster, Steve Martin, Dennis Smith, Dave Morgan, and Jim Goodrich

- 1. This was a quick meeting during the Young Eagles program during Airport Day. It was over in about 5 minutes.**
- 2. Finance: Jim suggested that as we get new members, we use their initiation fees to pay off the overpayments of initiation that were made at the club's inception, especially for those who did not in the end stay in the club when we purchase our aircraft. Motion made, seconded and passed.**
- 3. Maintenance**
  - a. Apollo GX 60 GPS was repaired for a little over \$400 by Apollo/Garmin. Jim installed it on Saturday, October 2<sup>nd</sup>. The sent us a new owners manual.**
  - b. Jim and Dennis installed the new front tire.**
  - c. Outstanding jobs to complete include:**
    - Install the wiring harness for back seat headsets that Jeff Landon made for us.**
    - Better fit the pilot side instrument panel cover.**
- 4. By-Laws Change: Note that Jim sent out the revised by-laws.**
- 5. Membership**
  - a. New members:**
    - The members voted Danielle Coelho as a new member. They may join as a Family Member so that her son Trent can start taking lessons.**
  - b. New prospects**
    - David Manzitto**
  - c. Review of New Member Applications. It was decided that prospective members will mail their membership application to Jim who will disburse it to the Board Members for consideration. The Applications will be copied to the membership. The reason this action was taken was to expedite membership applications.**
